Lost and Found

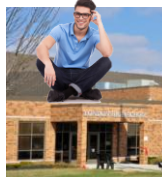

All items in the lost and found at the end of the day on Friday, November 16 will be donated to Goodwill.

Theme day

This month's theme day, November 16, will be South Africa. Students may wear black, yellow and/or green. Students are allowed to wear jeans. To participate, students will pay \$1. Money will be donated to the middle school group's fundraiser breakfast event.

Put Mr. Butler on the Roof!

Students really want Mr. Butler on the roof, apparently more than their Halloween candy! We collected 163.5 pounds. This equates to 2.75 hours. Next week, to the roof he goes!

All the candy will go to service members.

CONGRATULATIONS!

Our 6th grade Geography Bee team won **FIRST PLACE** on Thursday at the District competition. They won every round during the event. Members: James Annis, Gabriel Aucoin, Nate Auguste, James Groves, Jack Piphlo-Lopez and Naaman Rios

Our 8th grade team also represented JMCA well. They were well-prepared, poised and knowledgeable. Members on that team were Trevor Annis, Natalie Muñoz and Victoria Muñoz.

Thank you Mr. Morin for preparing the team!

Request for feedback

The 6th grade class has a project to identify a problem in the world and to come up with a solution. Our group decided to focus on keeping children safe.

Please help us finish up our project by answering the following question.

What would you be willing to pay for a device that could locate your child if they're in danger or scared?

\$15 \$20 \$25 \$30 Other _____
(Circle one)

Turn this into the front office with your child's name and get 1 volunteer hour. THANK YOU!
