

# MOUNTAIN LION MINUTE

James Madison  
Charter Academy

November 26, 2018  
Volume 13, Issue 10

## Board Bits

Welcome to new board member, Catherine Adkins.

**Our next meeting is:  
Monday, Nov. 26  
at 6:00 p.m.**

## PTO

Notes from our last meeting:

Lauren Jerden was elected vice president. There are currently two open positions that need to be filled - secretary and volunteer coordinator.

We will once again sell holiday candy grams. We need candy cane donations by December 7. They will be assembled on the 13<sup>th</sup> and delivered on December 21. We are looking for volunteers to take home materials and make items in advance.

The 12 days of Christmas are December 6-21. We need volunteers to provide treats for the staff each day.

Be sure to attend our next meeting when we will discuss having a dinner theater, movie night and our next fundraiser.

**Our next meeting is:  
Thursday, Dec. 13  
at 6:00 p.m.**

## BAAC

We are hosting our second family restaurant night at Chipotle on Tuesday, December 4.

A committee has started planning for next year's holiday market. If you wish to help, just let Ms. K know.

**Our next meeting is:  
Monday, Nov. 26  
at 4:15 p.m.**

**PLEASE turn cell phones off or put them on silent mode when you are in the building.**

## Coming attractions!

Dec. 12 - 15 - Holiday shop (sponsored by your Board of Directors) Watch for hours the shop will be open. Students will preview the items on December 11 to determine what they want to buy and how much money they need. ☺

✓ Dec. 14 - Pictures with Santa 4:00 - 6:00  
Photos are by reservation ONLY. Sign-ups forms will be sent home next week.

✓ Dec. 15 - Polar Express and crafts 9-3  
This is a great opportunity for parents to do their last-minute shopping (or wrapping) while the children are occupied with crafts, a movie and lunch. They also have time to shop. Watch for details and sign-up information.

✓ Dec. 18 - Project and Performance Potpourri 6:00  
Again, we will host a night showcasing some of the wonderful projects students have created this fall. In addition, performances by each grade level and some of our after-school clubs will be scheduled in the gym. The night would not be complete without a bake sale, including hot cocoa and cider.

## Request for feedback

The 6th grade class has a project to identify a problem in the world and to come up with a solution. Our group decided to focus on keeping children safe.

If you forgot to send in this "coupon" before the holiday, send it in this week. THANKS

**What would you be willing to pay for a device that could locate your child if they're in danger or scared?**

\$15   \$20   \$25   \$30   Other \_\_\_\_\_  
(Circle one)

Turn this into the front office with your child's name and get 1 volunteer hour. THANK YOU!
