Contacting Teachers

We want to be accessible to you for your educational concerns. Please feel free to email teachers or leave a voicemail to which they may respond. It is not appropriate to speak to teachers during carpool when others are around and they are supervising students. If you feel you need to meet with a teacher, please make an appointment giving at least 24-hours' notice. Teachers have other commitments and responsibilities and may need to make arrangements to be free. Each teacher has an email address in this format: last name first initial@jmcacolorado.net.

Snacks

We allow all students to have a snack during the day to help keep them ready to learn. Students are to bring **ONLY** healthy snacks. Examples are yogurt, fruit, cheese and crackers, and popcorn. Students are **NOT** allowed to eat sweets, soda, or chips. Junk food does not help the body and brain with learning.

SPIRITWEAR IS HERE!

Order forms went home last week. Deadline for orders is August 25 so get your order back today! Color pictures of items are on the website. We will soon receive samples for you to see at the school as well.

THANK YOU . . .

John Washell for mowing the grass!
