Board Election

Applications for the Board of Directors are now available. The election takes place on September 18 for one member. This is a 2-year term. **Applications are due by 4:00 on Wednesday, Sept. 12.**

FUNDrun

Please get donations for our annual fundrun. Donations may be made online, by cash or check. This is one of our major fundraisers. If you support a few activities such as this, we do not have to do a catalog sale!

READ the Newsletters!

We had only a few people send in last week's edition for a volunteer hour. What an easy way to earn hours!

Parking lot

Still waiting! Hopefully, the work will be completed this week. It will only take one day so it should not interrupt carpool. Thank you for driving slowly when going through carpool.

THANK YOU . . .

To the **Hartzells** and **Washells** for putting together kinder playground equipment! Not only did they work Saturday morning, they returned on Sunday to finish the work. They don't even have children in kindergarten! We can't thank you enough. The playground looks awesome!!!!

ALICE

We have begun teacher training for ALICE. This is our proactive crisis reaction program. Students will begin their training in a couple weeks. We will send home more information to parents at that time. Just know that we want to keep everyone at JMCA safe. We practice hiding in the corner in case an intruder enters the building, WE ACT!

PLEASE read the newsletter each week as it contains important information and dates. If you read this week's edition, sign it on the back and print your child's name, then return it to school for one volunteer hour.

Contagious illness

Parents, please contact the school when your child contracts a contagious illness or lice. With younger children, we can have foot and mouth disease, pink eye and other issues. Information is **confidential**. It just helps us keep everyone safe.
