October 1st is Count Day

October 1st is the day our students are counted. The result determines our level of funding for the year. It is important that all students are in school that day.

BAAC

All parents are welcome to join our group. We are working on finishing the kinder playground and planning the next steps on the big playground. Your input is appreciated!

Our next meeting is:

**Monday, September 24
at 4:15 p.m.**

Robotics

Our first competition will be Saturday, November 10. We need volunteers to help with this district-wide event. If you are available that day, please contact Mrs. Boden, Ms Snow or Ms. K. There are a variety of options for volunteering, from judging to registering to being a runner. We really need to support the competition with volunteers! Your time will count toward your 30 volunteer hours. You do not need to have a child in Robotics Club in order to help out!

ALICE

This week we have a drill on "Counter" with students. Students will throw paper wads and at "intruder" and try to create chaos in their classroom.

Contagious illness

Parents, please contact the school when your child contracts a contagious illness or lice. Information is **confidential**. It just helps us keep everyone safe.

**NO SCHOOL

Information about new activities is being sent home today. Be sure to register your child as soon as possible as forms are taken in the order they are received.
