## Principal's News

Welcome to our new families, welcome back to our returning families! I encourage everyone to be involved in the school and our activities. We are focused on uninterrupted teaching and learning so we ask that when you visit a classroom, you sit in the back and just observe. Teachers are available via phone or email. It is difficult for them to conference with parents during carpool times while they are supervising children.

PLEASE be courteous to the students who are helping with carpool. They are following our directions when they ask you to pull forward. They should be treated with respect for helping us.

## PTO & POTLUCK THURSDAY, AUGUST 16 6:00 P.M.

\*\*2 volunteer hours for attending\*\*

All families will want to attend our first family event of the year. This is the time to meet other families, learn more about what PTO is doing and enjoy great food. Enter the chili contest or just bring a dish to share.

We need parents to volunteer to help with this event (set up, clean up, and serving). If you can assist, please contact Nora Willard at [pto@jmcacolorado.net](mailto:pto@jmcacolorado.net).

Parents are responsible for supervision of their children.

**PLEASE DO NOT COME IN TO THE SCHOOL TO PICK UP YOUR CHILD AT THE END OF THE SCHOOL DAY.**

## NOTES:

- ↪ Please sign in at the office each time you visit the school or volunteer. All visitors and volunteers must have a pass.
- ↪ If you are dropping off or picking up your child at a time other than carpool, you will need to come in and sign your child in or out.

## THEME DAY

Our first theme day will be Wednesday, August 15. Usually, students pay \$1 to participate but our first one will be FREE. Students may wear their teacher's favorite color and shorts (no jeans). Students who choose not to participate will wear the regular formal uniform.

## Uniforms

We will work with families who have ordered uniforms that have not yet arrived. We are waiting on our ties and it seems it will be awhile. Therefore, no violations will be issued for ties until they come in.

Teachers will send home notes on uniform violations during the first two weeks of school to help you. After that, uniform violations will be sent home any time a student is not in the appropriate uniform. **HIGH-TOP/ BASKETBALL SNEAKERS ARE NOT ALLOWED.**

## Spirit Wear

Order forms for our Spirit Wear drive were sent home with students today. Orders are due by August 17. All the shirts may be worn to school on Fridays. We will also allow students to wear "spirit" hoodies on Fridays which we call "Spirit Day."

## Other News

WE WANT YOU...

### Absences

*When your child is going to be absent, please call 391-3977 before 9:00 a.m. This allows us to verify absences efficiently. If you know your child will be absent in advance, please fill out an Excused Absence Request Form at the front office. We appreciate your cooperation in this matter.*

## PTO NEWS

The PTO meets on the 3<sup>rd</sup> Thursday of each month at 6:00 p.m. The group is active in fundraising activities as well as sponsoring community events, such as parades, and family activities during the year. They are a wonderful group of involved parents who want to make JMCA better by providing dollars, activities and hard work.

Our first meeting will be held in conjunction with a family potluck and chili cook-off.

### SPECIAL ELECTION

We will have a special election for a new director in September. This is to replace the position of a director who stepped down. The term is two years. Any current parent is eligible to nominate themselves for the position. Watch for more information.

### Parking Lot Update

Extremely wet weather this summer hampered completion of our parking lot project. The concrete work was done but the asphalt work will have to wait until we have a few days off from school for it to set. We will continue using one lane for carpool. If you need to come in to the building, you may park facing the kindergarten playground.

### Carpool

We ask for your assistance with the following:

- ☆ Do not pull around other cars parked to pick up or drop off children.
- ☆ DO NOT park or let students out on Syracuse. This is UNSAFE.
- ☆ At the end of the day, students will be released to cars BEFORE "walkers" are released to their parents. PLEASE pick your child up via carpool to alleviate confusion in the front office.

### The issue of lice

We encourage parents to inform the school should their child have lice. We need to know when the child received treatment and that the treatment has worked. We do not make the information public.

## Manifesto

### Safety Reminder

- Your children's safety is a
- priority at JMCA. We continue
- to improve our procedures to
- ensure children are safe at
- school. Don't forget that
- **students are not allowed to**
- **carry any type of medicine**
- **with them at school.** This
- includes over-the-counter items
- such as aspirin, Pepto-Bismol or
- ointments.

### Board of Directors

The Board of Directors meets on the last Monday of each month at 6:00 p.m. in the science/art room. Meetings are public and parents are encouraged to attend. Parents earn **volunteer time** for attending meetings.

The next BOD meeting is Monday, August 27 at 6:00 p.m.

### Core Virtues Program

As a school, we "teach" 6 Core Virtues that students are expected to follow. Students who demonstrate a virtue will receive a Mountain Lion paw print with their name on it. The program is designed to encourage positive, or "paws"itive, behavior and illustrate what the virtues look like. The core virtues are posted throughout the building for students to see. The virtues are Respect, Honesty, Responsibility, Self-Discipline, Compassion and Perseverance.

### JMCA Educational Activity Center

The EAC is open before and after school each day, 1:00 on Wednesdays. Services are provided from 6 a.m. to 6 p.m. You have flexibility in how often you utilize the EAC for your child(ren). We offer educational activities, snacks and FUN!

### Fundraising at JMCA

One of the ways charter schools differ from other public schools is that they have to pay for their buildings. This requires us to find ways to annually raise funds beyond our general fund budget. We have tried to find ways to do this that do not put a strain on the budgets of our families.

Our **Scrip program** is increasingly profitable as families make regular use of it. This is a perfect way to support the school and get gift cards for things you would already spend money on such as gas, groceries, building supplies, clothing and much more. We have many businesses to choose from. The more you purchase, the less fundraising the school has to do!

We do a **Spirit Wear** fundraiser at the start of school and Read-a-Thon and Math-a-thons. All of these fundraisers include ways to sell to relatives and friends out of town and online.

The Building Advisory and Accountability Committee (BAAC) holds fundraisers to fund grounds and playground improvements. We have family nights at restaurants, and other activities.

Our PTO also holds a major fundraiser during the second semester that is different from those run by the school.

They also have some family activities that raise funds while providing fun for the whole family!

### Thank you . . .

. . .to everyone who has already paid for their child's school supplies. We do it to save our families time and money. It also helps to ensure all students have the correct supplies from day one and make the first days of school much more efficient. If you have not yet paid, you may pay the \$35 per student to Ms. K. Checks should be made out to JMCA.

### Homework

We have developed a homework procedure that is based on research about what helps students be successful and increases chances for high school graduation. We give little homework on a daily basis, choosing to do most work at school. We assign work that involves parents and family because parent involvement in a child's education is a critical component. Students also receive physical activity homework because activity is a lifelong need.

### Volunteer Opportunities

As you know, each JMCA family is required to complete 30 hours of volunteer time per year. We have a myriad of activities that contribute to this tally. Some ways to gain time are to attend PTO or Board meetings, send in items needed for a classroom (\$10 = 1 hr.), help at the school, take work home. If you need ideas or help, just talk to us and we can give you even more ideas. If you have a special talent or skill, we would LOVE to hear about it. We have parents run our technology system, install lights and other tasks.

### UNIFORMS

Please be sure you have your child dressed according to the school uniform policy. The violations we see most are "no show" socks (socks must be crew or knee socks), incorrect skorts, and cargo pants. Boys may NOT wear Dickies.

- ☆ If you need a copy of the uniform requirements, you may pick one up at the front desk.
- ☆ Every Friday is Spirit Day. Students who have spirit t-shirts or hoodies may wear them on Fridays.
- ☆ The uniform policy is very specific and violations will be issued starting Monday, August 20.
