**December 14, 2020:**

To the JMCA Community-

Since the inception of the 2020 to 2021 school year, it has been my goal to keep each and every student and JMCA staff member safe. Consequently, this has become one of the hardest years to be in the field of education. However, this can be said about any field; 2020 has made it a challenging year to be in any profession.

In order to maintain our school as a safe learning environment following the two-week vacation, we will do the following. Please keep in mind that this plan is always subject to change pending future suggestions and recommendations from El Paso County Public Health.

- ALL students will do online learning from January 6 to January 15;
- On January 19, ALL students will return to in-person learning;
- On January 5, ALL families can drive through the JMCA carpool lane between 3:00 P.M. and 4:30 P.M. to pick-up report cards, school work, supplies, and technology equipment;
- For 3 to 8 students, you will follow the same online schedule that you currently use; K to 2 teachers will contact you about your online schedule;
- If your child receives services from a JMCA itinerant in special education, speech language pathology, or social work, then their individual case manager will reach out to you regarding these services.

As always, thank you for your understanding during these unprecedented circumstances. The only thing that is constant during 2020 is constant change; however, as long as we stick together, then we can overcome this together. Please do not hesitate to email me at [morinkyle@wsd3.org](mailto:morinkyle@wsd3.org) with any questions.

Professionally,

Kyle D. Morin  
Interim Principal  
James Madison Charter Academy
