Dear JMCA Family:

February 22, 2021

With the educators starting to get the COVID-19 vaccine, I know it feels like we have turned the page in the fight against the pandemic. However, I want to stress that we continue to be vigilant. If your child(ren) or another member of your immediate family has had contact with a COVID-19 positive individual, then notify us right away. As soon as the school is aware of the situation, then we can immediately take the appropriate course of action. Also, the sooner the school knows, then most often, the fewer the number of individuals need to be quarantined. If we have any questions, please do not hesitate to reach out to me.

Also, with the 2020 to 2021 school year already having a plethora of worries, uniform violations have not been a concern. However, as a school, we will start to make a conscientious effort to make sure students are in the correct uniform. Not holding students accountable for being in the right uniform is not fair to the families that are making an effort to be in the correct uniform every day. Students will receive a warning for their first uniform violation and a pink uniform violation sent home to parents for their second. Please help make sure your child(ren) have the following:

- a school sweater
- dress shoes for Wednesday
- white or black socks
- the correct khaki pants
- a belt

JMCA Challenge

Thus far, we have discussed quotes and answered riddles. For the 3rd quarter, the JMCA challenge is geography! We will be playing, Where in the World is Mr. Morin? I will describe a location, and you have to guess where it is. Email me your answers at morinkyle@wsd3.org, and the student from grades K to 3 and 4 to 8 with the most correct answers will get to eat lunch with me.

You also earn one volunteer hour for submitting an answer.

K to 3rd Grade: After catching the waves in California, I have traveled to a new state. This state is directly south of Colorado. I have heard great things about its state capitol: Santa Fe. I have also heard that this state is really famous for its chile. I should try some while I am here. Where am I?

4th to 8th Grade: I have left Puerto Rico, but I am still in the Carribbean on an island which speaks Spanish. I am also only 90 miles away from Key West, Florida. I have heard that this island is famous for salsa and baseball. Havana is also the capital of this island. Where am I?
