

ADVISORY COMMITTEES TO THE BOARD

The primary purpose of all Advisory Committees to the Board is to contribute to the educational program of the school by conducting studies, identifying problems, or developing recommendations to assist the Board in making decisions. The ultimate authority to make those decisions, however, will continue to be the Board's as required by law.

Advisory Committees will be formed by the Board at such times and for such purposes as the Board may deem necessary. They will be given a clear charge, and will be dissolved upon accomplishing that charge.

Membership in advisory committees will be broadly representative of the school's population, and will be chosen from among parents/guardians and local residents who have shown an interest in education or who have special knowledge or expertise relating to the committee's purpose. Once activated, an advisory committee will report periodically to the Board.
